***Restrooms at City Parks***

July 27, 2017

The City of Hiawasse is looking to install a restroom facility at Mayor's Park located on Hwy 76. These facilities would include 2 separate restroom areas that will be handicap accessible and in accordance to ADA specifications.

The structure would be constructed with a concrete block exterior wall and a wood framed center wall to allow for plumbing access if ever needed.

Attached please find a rough draft of the project.

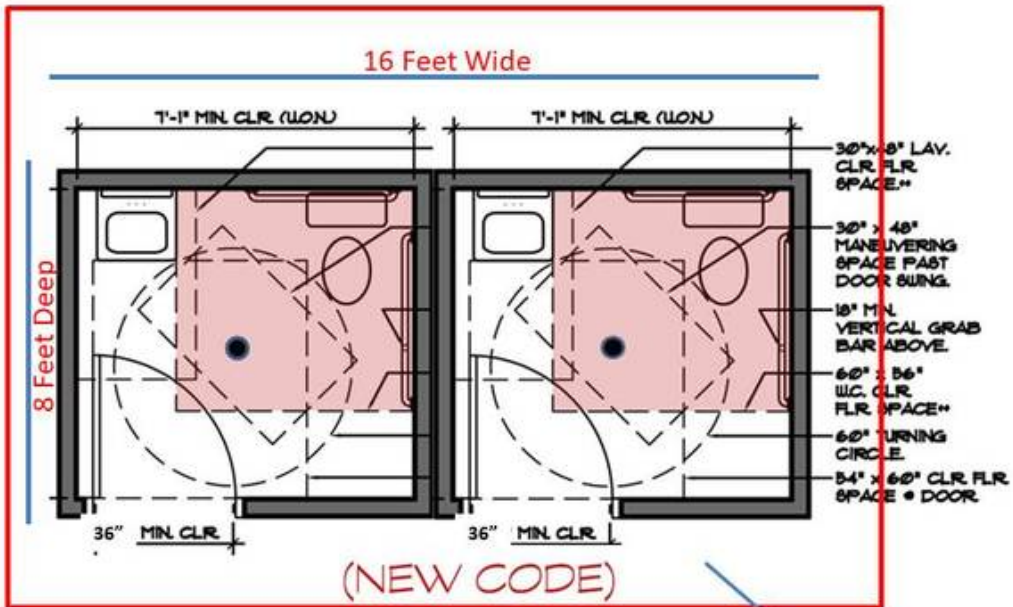

Please send bids to:

Liz Ordiales  
50 River Street  
Hiawasse, GA 30546

Or via email to:
